**potluck lunch** with mouthwatering barbequed pork

Next Saturday is the date to save for our Annual Potluck Lunch and Annual Meeting.

We will be enjoying Dave's special slow roasted pork beginning at noon. As has been tradition, the Association will provide water and soft drinks. Bring along any other personal preference beverages, along with a dish to pass and dishes / silverware. The Association will provide ice.

Come by road or boat. The tent will be set up lakeside, so if you arrive by car, walk down the slope beside the garage. The beach is quite boat friendly. In the event of a large number of boats, bumpers are a good idea.

The business meeting will begin as close to 1 pm as is practical. See agenda, left. Be prepared for lively discussion.

See you Saturday, June 18! EVERYONE IS WELCOME!
