FIREWORKS - FRIDAY, JULY 4TH @ DUSK

Rain Date is set for Saturday, July 5th

If you are able to help, please just show up at the usual site and we will show you what to do. There is no need to call Mark Mergenthaler, or Jack Geisel to let them know. **If you have any questions, Mark's phone number is (608) 518-1199.**

Thursday, July 3rd at 9:00 AM – Setup the mortar wooden boxes. Bring a sledgehammer if you have one, work gloves if desired. Takes about an hour. **Friday, July 4th @ 1:00 p.m.** – Load the fireworks and attach wiring. No heavy lifting required. Can take a couple hours to finish. **Sunday, July 5th at 9:00 AM** Clean-up the site and move mortar boxes back into the trailer. Bring leaf rakes and work gloves.

If it looks like it might rain anytime on Thursday, we will wait until Friday AM to set up. If it looks like rain again on Friday, then everything will get pushed out to Saturday: 9:00 AM setup, 1:00 PM loading and wiring with cleanup on Sunday.
